

# TROJAN BASEBALL ALUMNI & BOOSTERS

# JERRY MERZ YOUTH CLINIC

**Saturday, August 20, 2022**

## CO-CHAIRS

*Don Buford*

*Mark Malconian*

*Jake Alba*

## ABOUT THE CLINIC - FREE TO ALL PARTICIPANTS!

The Trojan Baseball Alumni & Boosters (TBAB) was formed so that former USC Baseball players would have a way of staying in contact with each other and be able to work together and support the current Trojans team. The annual youth clinic fulfills the third objective of TBAB, to give back to the local USC community and sharing our wealth of baseball knowledge with local area youth.

We will introduce participants to the game of baseball through the perspective of Trojans greats and other former players. Our session includes pitching, hitting, fielding, throwing, base running, and more. We also include a tour of the USC baseball facilities, including the locker room and Hall of Fame complex.

It's important to note that several instructors and administrators of our clinic are products of the storied USC Baseball tradition who volunteer for this exciting and worthy event.

## LOCATION: Dedeaux Field on USC Campus
